Students' Counseling Cell

We have in our college a student counseling cell. Academic career and Psychological counseling to the students are provided under the guidance of appropriate counselors and experienced teachers of our college. Psychological Counselors also attend our counseling centre of necessity. Any student of our college who needs additional support can avail of this benefit.

Placement Cell:

Various companies hold campus interviews and a number of students find employment straight after passing out. We hope to begin SSC or WBCS entrance course from this session.
