1. All students are requested to join the class at least 10 minutes before the beginning of the class.
2. They can switch off their audio and video to reduce data consumption.
3. Classes will be held through Google Meet.
4. Students are requested to go through the study materials of the relevant faculty members already uploaded in the LMS portal.
5. After discussion of the uploaded study material there will be a doubt clearing session where students will be free to interact with the faculty.
