Molecular Theory & Relativistic approach to understand the essence of Chemistry

Speakers: Dr. Achintya Kumar Sarkar, Professor of Chemistry, Bidhannagar Government College and Dr. Asutosh Ghosh, Professor of Chemistry,

Calcutta University and Former Vice-Chancellor of Calcutta University

A one-day seminar titled "Molecular Theory & Relativistic approach to understand the essence of Chemistry" was organised by the Department of Chemistry on 11 January 2018. The Speakers of this seminar were Dr. Achintya Kumar Sarkar, Professor of Chemistry, Bidhannagar Government College and Dr. Asutosh Ghosh, Professor of Chemistry, Calcutta University and Former Vice-Chancellor of Calcutta University. Professor Sarkar delivered his lecture on the topic 'Molecular Orbital: An essential tool in the understanding of Organic Chemistry' and Professor Ghosh discussed the aspect of 'Relativistic effect in Chemistry'. The Department organised a one-day seminar entitled "Molecular Orbitals, Stereochemistry and Pericyclic Reactions" on 22 January, 2019. Dr. Dipak Kumar Mandal, Former Professor of Chemistry, Presidency College and Bidhannagar Govt. College delivered the talk in the seminar.

02 FEBRUARY, 2018 | SEMINAR

Bangla Kobitay Adhunik Upadan

Speakers: Prof. Alessandro Vescovi, University of Milan

Department of Bengali organised a seminar on "Bangla Kobitay Adhunik Upadan" on 2 February, 2018. Prof. Ankana Betal from Aliah University delivered a talk on the definition of modern poetry and floated the question as to whether the poetry of middle age had an essence of modernism. After that, she made an elaborate discussion on the Bengali modern poetry with reference to the Nineteenth and the Twentieth Century. The speaker discussed the use of innovative literary devices and the incorporation of contemporary themes in Bengali poetry, which have redefined the genre and attracted a younger audience. Attendees were treated to a selection of readings from notable modern Bengali poets and engaged in a lively discussion about the current state and future direction of Bengali poetry.

05 FEBRUARY, 2018 | SEMINAR

The Cultural Heritage of Indian Art and Architecture

Speakers: Prof. Kamal Kishor Mishra, Department of Sanskrit, University of Calcutta and Shri Satyakam Sen, Senior Technical Officer, Indian Museum, Kolkata

A seminar on The Cultural Heritage of Indian Art and Architecture was organised jointly by the Department of Sanskrit and the Department of History on 5 February 2018. The main purpose of the seminar was to introduce the students to our cultural heritage our ancestors bequeathed in the form of Indian art and architecture. Prof. Kamal Kishor Mishra, Department of Sanskrit, University of Calcutta and also a former diplomat of the Government of India and Shri Satyakam Sen, Senior Technical Officer, Indian Museum, Kolkata delivered illuminating lectures on Indian cultural heritage. Prof. Mishra gave excellent elucidation on the questions: What is our tradition? and What is our heritage?. Shri Satyakam Sen enlightened the audience on Indian Art and Architecture.

08 FEBRUARY, 2018 | SEMINAR

Rabindranath O Vivekanandar Drishtibhongite Manobotabad

Speakers: Prof. Swagata Ghosh of Department of Philosophy, North Bengal University and Professor Somnath Mukherjee of Department of Engineering, Jadavpur University

The Department of Education along with the Department of Philosophy organised a one-day seminar entitled 'Rabindranath O Vivekanandar Drishtibhongite Manobotabad' on 28 January 2018. Professor Swagata Ghosh of Department of Philosophy, North Bengal University and Professor Somnath Mukherjee of Department of Engineering, Jadavpur University spoke on the topic. On 8 February 2018, the two Departments took another joint initiative to organise a one-day seminar entitled 'Moral Action: Rele-

vant Issues'. The Resource Persons were Professor (Dr.) Aparajita Mukhopadhyay, Department of Philosophy, Jadavpur University; Professor (Dr.) Aparna Sadhu, Department of Philosophy, Basanti Devi College, Kolkata and Professor (Dr.) Chandrani Acharya, Department of Education, Kultali Dr. B. R. Ambedkar College.

00 FEBRUARY, 2018 | SEMINAR

Digital Film Making: Focusing on the Craft of Editing and its Impact

Speakers: Dr. Debjyoti Chanda, Teacher-in-Charge, Department of Mass Communication & Videography, Rabindra Bharati University; Shri Mrityunjoy Chatterjee, Director NIMD; Mr. Snehasis Sur, President, Press Club, Kolkata and Veteran Journalist of Doordarshan; Prof. Somsubhra Gupta, Head, Centre of Mass Communication and Videography, Rabindra Bharati University and Prof. Abir Chattopadhyay, Head of the Department of Journalism and Mass Communications, Jaipuria College.

The Department organised a 5-day workshop on 'Digital Film Making: Focusing on the Craft of Editing and its Impact'. This workshop was supervised by Sk Maqsood Alam, Faculty, NIMD. A number of Special Invited Lectures on subject related topics were also organised by the Department for the students of both Honours and General. The Resource Persons were: Dr. Debjyoti Chanda, Teacher-in-Charge, Department of Mass Communication & Videography, Rabindra Bharati University; Shri Mrityunjoy Chatterjee, Director NIMD; Mr. Snehasis Sur, President, Press Club, Kolkata and Veteran Journalist of Doordarshan; Prof. Somsubhra Gupta, Head, Centre of Mass Communication and Videography, Rabindra Bharati University and Prof. Abir Chattopadhyay, Head of the Department of Journalism and Mass Communications, Jaipuria College.

28 FEBRUARY, 2018 | SEMINAR

Plant Virus

Speakers: Dr. Soma Halder, Head of the Department of Botany and Microbiology, Asutosh College

An invited Lecture on "Plant Virus" was organised by the Department of Botany on 28 February 2018. The speaker was Dr. Soma Halder, Head of the Department of Botany and Microbiology, Asutosh College. Professor Halder gave a lucid exposition of the structure, multiplication patterns, mode of infection and dispersal process of common plant viruses like TMV, CMV, etc. This lecture also imparted useful knowledge on many viral diseases of plants, along with the management and control measures for these diseases.

27 MARCH, 2018 | SEMINAR

Citizenship and its various aspects

Speakers: wadhin Kumar De, formerly of Maulana Abul Kalam Azad College

The Department hosted a discussion on "Citizenship and its various aspects" on 27 March 2018. The HOD Dr. Madhuparna Dutta introduced the theme of the seminar. Chairperson Professor Swadhin Kumar De, formerly of Maulana Abul Kalam Azad College, explained a few interesting facets of the notion of citizenship. His delineation of good and bad citizens was indeed beguiling. The presentation by Dr. Lipi Ghosh, Professor, Centre for South and Southeast Asian Studies, Calcutta University was primarily on the context of Citizenship in Indian society. lightened the audience on Indian Art and Architecture.

28 MARCH, 2018 | SEMINAR

EVOLVERE 2018 on Data Mining and Social Media Data Analysis

Speakers: Prof Sumanta Ray, Department of CSE,

Aliah University, Prof. Indrajit Bhattacharya, Department of MCA, Kalyani Govt. Engineering College

The Department organised a one-day seminar with the title EVOLVERE 2018 on Data Mining and Social Media Data Analysis on 28 March 2018. Prof Sumanta Ray, Department of CSE, Aliah University delivered a talk on Data Mining and Prof. Indrajit Bhattacharya, Department of MCA, Kalyani Govt. Engineering College delivered a talk on Social Media Data Analysis. Apart from the students of the Department, students from various other departments of the College attended the seminar with a view to enriching themselves with new ideas and dimensions of research for their higher study.

06 APRIL, 2018 | SEMINAR

Adhunik Gonit Shastre Bharater Obodan and and Prachin Bharate Gonit Shastro

Speakers: Dr. Pradip Majumder, Former Professor of Mathematics, Rabindra Bharati University and Guest Faculty, Department of Ancient History and Culture, University of Calcutta

The Department organised a one-day seminar on "Ultrafast spin dynamics" on 6 April 2018. The purpose of the seminar was to introduce the students of our College to various modern research fields on magnetism. Prof. Anjan Barman, Senior Professor and Associate Dean of the Department of CMPMS, S. N. Bose Centre, Kolkata was invited as the Resource Person. Prof. Barman delivered a fascinating lecture on several interesting research fields of magnetism and showed various research facilities available in his laboratory. There was a very fruitful discussion session between Prof. Barman and the students. The Department is thankful to Prof. Barman for his invitation to all the students to visit his laboratory for enhancing their knowledge.
