## Certificate Course in Soft Skill Development

Department of English

New Alipore College

6<sup>th</sup> February 2022 to 25<sup>th</sup> May 2022

Time: 30 Hours

The 30 hour Soft Skill Development Programme was conducted between 6<sup>th</sup> February 2022 and 25<sup>th</sup> May 2022

47 students enrolled for the course out of which 44 completed the course. The course was inhouse and was conducted by the members of the Department.

### Aims:

Our students are mostly from the vernacular medium and lack fluency in spoken English. The aim was to train them in language skills as well as train them in the basics of computer ability. Even though most of the students can master the subject they lack communication skills which impacts their employability. Hence it was decided to offer a certificate course which would groom them for employment.

### Objectives:

- To teach students the basics of English Language and grammar
- To teach students to send e-mails
- To teach students how to conduct themselves in a corporate environment
- To teach students norms of socially acceptable behaviour and time management
- To teach students the art of grooming and self-awareness.

### Out-Come:

44 students out of 47 completed the course successfully. By the end of the course students were able to converse fluently in English. They were also more confident and this was reflected in their body language. The students wanted more such courses.

# Computer Basics and C Programming Course Details: Duration, Eligibility, Fee Structure

## 1. About the Course

C is a general-purpose computer programming language developed in 1972 by Dennis Ritchie at the Bell Telephone Laboratories. As it was known as 'C' because most of its features were taken from an earlier language called 'B'. C is highly portable and is used for scripting system applications which form a major part of Windows, UNIX, and Linux operating systems. It can efficiently work on enterprise applications, games, graphics, and applications requiring calculations, etc.

Candidates who love to create their own application or software by coding can learn this course easily and it is very simple to learn and understand. The basic knowledge of programming can be gained only from a **C Programming Language**. There are huge career opportunities for the C certified holder.

## 2. Certification and Eligibility Criteria

Candidates who wish to learn about software programming are eligible to do the certification in C language. C is a basic level programming language anyone can learn it. So, there is no specific eligibility criterion to be required in candidates for the C language Course. Any high school student or UG, PG graduate student can get the certification in the C language Course the only thing they need is interest & logical thinking for grasping the coding part.

In the second half, the next speaker Mr. M. K. Bhaumik has explained and demonstrated about the google form creation and explained how it can be helpful for preparing different types of questionnaires for survey. After that the speaker has described about the use of google meet, google calendar and other relevant tools for virtual teaching. Next, the use of Jamboard has been demonstrated for smart learning.

Day 2:

In first half, the speaker Mr. M. K. Bhaumik has explained about more usage of Google forms. He has given the demonstration regarding automatic and manual evaluation of different questionnaires using google forms. Then the speaker has described about checking the student progress using google forms. At the end of this half, the speaker has given the demonstration regarding the routine creation.

In the second half, the speaker Ms. P. Pal has explained about Google sites for document uploading, publishing etc. Next, she has given the description regarding the creation of YouTube channel, live video streaming etc. She has explained about the utilities of using those platforms.

Participating teachers were asked to create goggle classroom, e assignments, e-time table, etc. Some teachers showed their skills very well. Some non teaching staff were asked to do inline accounting. They did fairly well.

The last session was interactive session. All the doubts of participants have been cleared by both the resource persons. At the end, the session chair has given the vote of thanks to the speaker.

Thus, this workshop completed successfully by achieving the desired objectives which were decided while organizing such value-adding event.

# *About the e-Adhyayan (the e-Workshop)*

Everyone is concerned about the increasing threat of COVID-19 and searching for a solution by which normal activities involving others can be performed while maintaining the norms of social distancing. Teachers are also facing the same situation. Fortunately, alternatives are there to holding face-to-face classes, but it's important to prepare teachers and students ready for the technology driven techniques. **Department of Computer Science, K.K.Das College** is organising *e-Adhyayan* (the e-Workshop) to build confidence of *e-teaching* to the teachers using Google platform.

This *e-Adhyayan* will provide each participant enough confidence to begin *e-classroom* for the onboard students.

## *The Audience:*

This professional development activity/course is designed for:

Teachers who want to start *e-Teaching* using Google platform for teaching, learning and evaluation.

## *Description:*

The Two-Day (8 hrs) *e-Adhyayan* will review the uses of Google platform, so teachers can plan for *e-teaching*. The *e-Adhyayan* is designed to:

- *Online accounts*
- *Collaborative Works*
- *Classroom - Onboard Students & Co-Teachers*
- *Engage students in e-Learning System*
- *Create e-Lessons, e-Assignments, e-Tests*
- *Track Attendance, Participation and Students' Progress*
- *Pre-scheduling Classes, Live Classes, e-Time Table*
- *Personal Website - Uploading Personal Details and Shareable Documents*

Google offers a good option for increasing access and intensity, whether or not your recent needs are going to temporarily close. These tools are enthusiastically used globally.

### Celebration of International Yoga Day in the academic year 2021-22 at New Alipore College

International Yoga Day is celebrated on June 21 every year since 2015. The day aims to raise awareness about the benefits of yoga and promote its practice across the world. Our college, like many other educational institutions, celebrated this day with great enthusiasm.

**On June 21, 2022** the celebration started early in the morning with 30 students participants, assembling in the college grounds. Our honourable principal Dr.JaydeepSarangi inaugurate the programme and the welcome all the participants. Professor.GobindalalMandal of our college chaired the session with a brief introduction to yoga and its benefits. The yoga instructor then led the participants in a series of yoga asanas and breathing exercises.

The celebration ended with a pledge-taking ceremony where the participants pledged to make yoga a part of their daily routine and spread awareness about its benefits.
