

REPORT OF THE SEMINAR HELD ON 27TH APRIL, 2023

An International Seminar on NEP 2020 was held on 27/04/2023 in Room 209 of the college premises, organized by IQAC, New Alipore College in collaboration with Dept. of Commerce and Dept of Journalism and Mass Communication. The Seminar was inaugurated by the Principal of the college with his words that NEP 2020 is going to transform the higher education by 2035 and this policy is going to ensure the quality of the students.

The Speaker of the Seminar was Dr. Manasendu Kundu, Summer Faculty, Dept. of Anthropology, Environmental studies; University of California, Santa Barbara. He highlighted the three and four year's undergraduate course and the advantages and disadvantages of multiple entry and exit system. He also highlighted the credit system of the NEP 2020. After discussing the NEP 2020 in the Indian context he highlighted the education policy of USA and compared the NEP of the two countries on different aspects. After his speech, the IQAC coordinator gave his Vote of Thanks. The seminar ended by capturing group photo of all participants present in the meeting.
