

REPORT OF THE WORKSHOP HELD ON 12-06-2023

Organized by

INCUBATION CENTRE AND

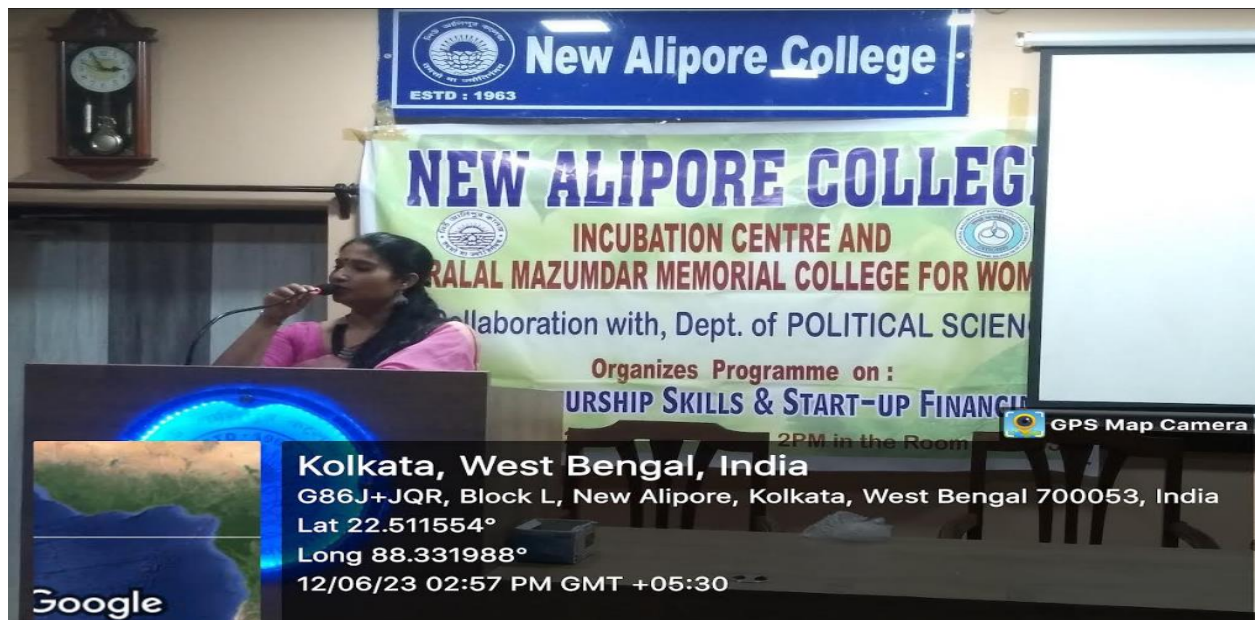

HIRALAL MAZUMDAR MEMORIAL COLLEGE FOR WOMEN

In collaboration with Dept. of Political Science

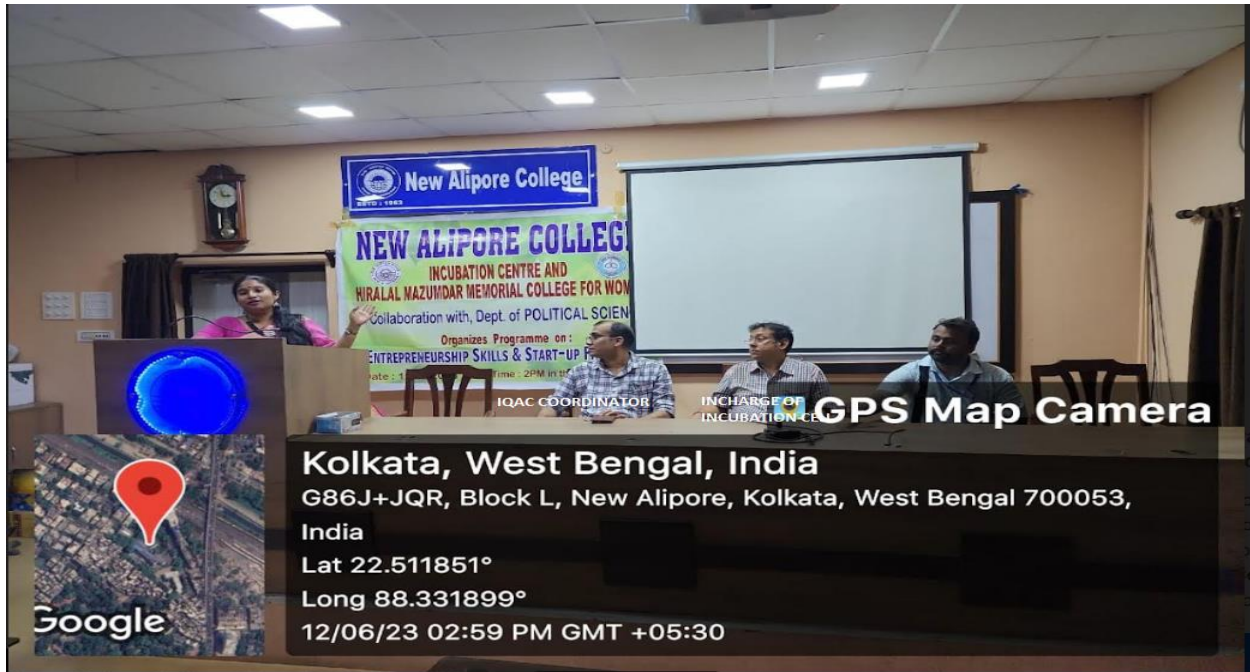

Title: ENTREPRENEURSHIP SKILLS & START-UP FINANCING

Date: 12/06/2023 **Time:** 2 pm in the room no 303

The workshop was inaugurated by Devarati Mondal of the Dept. of Political Science with her words that the efforts of the incubation cell will help the students to learn beyond their traditional bookish knowledge.

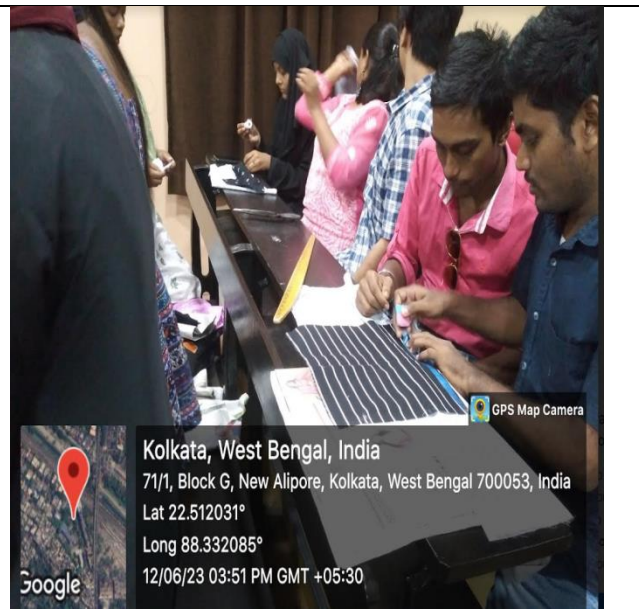

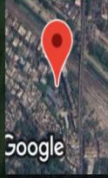

Then the IQAC Coordinator highlighted that in today's context incubation cell will help the students to show their innovative entrepreneurial skills and they will be self-employed by demonstrating their skills. Then the in-charge of the incubation cell highlighted that commerce students can place their business proposals and

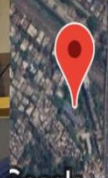

the incubation cell help to invite Angel investors so that they can invest their funds in the business proposals of commerce students. Finally the representatives of the Hiralal Mazumdar Memorial College for Women highlighted that to be self-employed the contribution of incubation cell will be immense.

Then the students showed their entrepreneurship skills like artificial Jewellery making, Pottery and stitching and cutting.
