

Greetings from SigiloTech !

We are a leading cloud solutions provider and have served several brands like Ford, NHS London, London Stock Exchange, etc.

We are pleased to inform you that our company is offering an internship job offer (10k/month)

The internship will be converted to full-time employment(2.5 - 3.5 lpa) after 6 months.

Project Role : Internship(6 months)

Project Role Description: Design, build and configure applications to meet business process and application requirements.

Work Experience: Freshers

Work location : SigiloTech, 10th floor, Kamdhenu Building, 75C, Park Street 700016

Requirements:

We are seeking a highly motivated and talented software developer to join our team. As an intern cum full-time software developer, you will be responsible for working on projects that involve developing software solutions to meet our client's needs.

Responsibilities:

- Collaborate with cross-functional teams to design, develop, and implement software solutions
- Write clean, efficient, and maintainable code
- Participate in code reviews and testing to ensure high-quality software delivery
- Stay up-to-date with emerging trends and technologies in software development
- Perform other duties as assigned

Requirements:

- Currently pursuing or completing a BCA, [B.SC](#), or BE/B degree. Tech, MCA.
- Having strong Data structure & Algorithm understanding
- Strong programming skills in one or more programming languages such as C, Java, C++, or JavaScript

This is a paid internship that can lead to a full-time position based on performance after 6 months. If you are passionate about software development and looking for an opportunity to gain hands-on experience while working on exciting projects, we encourage you to apply.

Rewards include:

- Competitive compensation (salary, equity and bonuses) and comprehensive benefits designed to foster work-life balance, care for your health, protect your finances and help you save and invest for the future.
- Generous paid time away from work, including flexible time off, holidays and sick time, health and wellness initiatives, and a charitable match program to help you give back to your community.

Regards
