## For the Academic Year of July 2020- June 2021

New Alipore College has functioned brilliantly even during the pandemic times. The college, the administration, the faculty members, and the students have adapted themselves magnificently over the past one year that is after the educational institutions were ordered to shut down due to Covid-19. The college shifted to the online mode which included conducting online classes (through google meet) as social distancing was made mandatory to stop the spreading of coronaviruses. All social gatherings were prohibited, all auditoriums were closed and cultural activities were forbidden as a matter of abundant precaution. But this did not halt several initiatives taken by the College. The details of these initiatives are given below:

The Cultural Sub Committee in collaboration with Psychological Counselling Cell organized Sankat-kaley Rabindranath. The speakers were Shri Debasish Raychaudhuri and Smt. Rohini Raychaudhuri. They spoke in detail about the various songs, poetries and dance dramas along with various stories about Tagore and crisis management. It was a wonderful session and was held virtually.

Various departments took on multifarious activities during this period.

The Department of Physics showed its gratitude towards the Covid Warriors through a wonderful video published on its departmental Facebook page. Along with this, the students celebrated Guru Dakshina virtually to show their due respect even during the pandemic times. The Department of Chemistry celebrated Friend Philosopher Guide virtually. All teachers and students of the Department participated in it. The Computer Science and Electronics department organized The Magicians with Books and Pens and Our Teachers respectively. Among the Arts Department, the students of the English Department made a video on Enseignants. The Department of Bengali also went online for *Shikshak param brahma* celebration. A wonderful initiative the department took during this time was celebrating Mother Earth by making a video on the concept.

On the eve of our 74th Independence Day, the department of Political Science made an attempt to social inclusion at the time of social Distancing with their Social Awareness Drive Breaking Barriers. The connection was very successfully accomplished. Despite the raging pandemic, the students of the Department took time out to show their love and respect for the teachers through a virtual event. They sang, danced, and made several beautiful audio-visual presentations making the virtual event a very successful one. To welcome new entrants into their Departmental fold, the department organized a Bijoya Meet with the existing students and the freshers,
