A TRIBUTE TO THE POET LAUREATE OF ODISHA: PADMASHREE JAYANTA MAHAPATRA

(22-10-1928 TO 27.08.2023)

Jayanta Mahapatra is one of those modern Indian English poets who have always won the acclaim and praise of ours as for penetrating in to the self and psyche of the nation so diverse and flimsy, so intrinsic and intricate tending to from the personal to the impersonal, from the regional to the national and the boundaries beyond. Whether it is colonial or post-colonial, literature, he is everywhere discerning with a nihilistic, existential standpoint. He is the first English poet to win Sahitya Akademi award.

Objective of the Seminar:

Odisha is a land of a magnificent cultural variety and heritage. The city of the Literary Icon of Odisha, Fakir Mohan Senapati, Balasore has maintained the practice even today of giving respect and tribute to the literary creations and its creators. The Seminar organized by the P.G. Department of English, Fakir Mohan Autonomous College, Balasore in collaboration with Odisha Association for English Studies, Balasore is a tribute to the Literary Gem of Modern Odisha, Padmashree Jayanta Mahapatra, on his First Death Anniversary. It is an attempt to bring in the legacy of the poet to the ready forum of a galaxy of intellectuals and also to the access of the students of English literature. The intention is to maintain the perpetuity of knowledge and understanding. Hopefully, the spirit of life as understood by the poet will enlighten all to respect life with love and gratitude.
