| <p>growth, cultural appreciation, and societal betterment of staffs and students.</p> | <p>recently organized a seminar to explore the profound themes of historical connections, mental well-being, and social consciousness. The session on "History and Heritage: India – Tibet Chapter" highlighted the deep-rooted cultural and historical linkages between India and Tibet. Eminent speakers delved into the shared heritage, emphasizing the importance of preserving and promoting these bonds in the context of modern diplomacy and cultural understanding. Another segment, "Colours and Mental Well-Being," shed light on the psychological impact of colors in shaping emotional health. Experts shared insights into how colors can influence mood, creativity, and overall mental balance, advocating for their therapeutic applications in personal and professional settings. The discussion on "Dalit Chetana" brought to the forefront the pivotal role of awareness and empowerment in addressing the challenges faced by marginalized communities. The session encouraged dialogue on social equity, justice, and the transformative power of education and activism in fostering inclusivity. These seminars, collectively, underscored IQAC's commitment to fostering intellectual growth, cultural appreciation, and societal betterment.</p> |

40. Gender Equity (Number of gender equity promotion programmes organized by the institution) : NIL

41. Environmental Consciousness and Sustainability/Alternate Energy initiatives taken by the institution :

1. Sustainable landscaping was done by introducing vertical gardening in 2019-20 by which the college utilises its premises at its maximum capacity with aesthetic valences.
2. College authority has introduced eco-accommodating 10KW inverters as elective force backup instead of fuel-based generators utilized prior. Energy-saving LED and CFL lights have been introduced in each spot of the college premises in substitution of tube lights utilized before.
3. Solar panels of 50KW were installed and the power produced is communicated to the public lattice. This has cut down the power bill of the college generously.
4. Proper segregation of chemical and biological waste from different practical based departments was done in specific isolated bins. Prompt disposal of biological waste in areas specified by corporations are made.
5. Waste containers were set at strategic points in the college sites to check littering. Furthermore, separate waste canisters were reserved for biodegradable and non-biodegradable waste materials.

6. To oversee garbage removal, college set up a vermicompost unit containing suitable species of earthworms to enhance the process of organic waste conversion.

6. Providing a Rounded Learning Environment: Students are nurtured to have a balanced education through various extracurricular activities like NCC Camps. The college organises training camps for students with NCC where they take part in arms firing, navigation, map reading, emergency medical assistance and other disaster management related activities. Cdt. Neha Firdosh of New Alipore College received appreciation from the NCC Group HQ Kolkata for her exceptional performance in shooting competition.
 7. Social Service: To inculcate a sense of social responsibility and sensitivity amongst the students and to promote value-based education, the college conducted social work by distributing food and essential items to the old and needy throughout the lockdown period.
 8. Maintaining Global Environment Standards: The college stood by its promise of maintaining the global environment standards with an ISO 14001:2015 certification by keeping a clean environment and a plastic free campus. With a sophisticated vermicompostsystem, the college has ensured zero waste. The campus also has an assorted waste management system, vertical gardening, solar powered electrical units and a range of medicinal plants like Tulsi, Neem and Ashwagandha.
 9. International Collaboration: The college has taken numerous measures to keep up with the international standards and ensure that all faculty and students are at par with global proceedings through collaboration with International Universities.
