Introduction

This comprehensive step-by-step guide is designed to establish a structured framework for the systematic generation of Academic Bank of Credits (ABC) IDs across diverse platforms.

This guide encompasses the entire process of generating ABC IDs for students through a range of channels, including academic institution portals, DigiLocker, UMANG, the Academic Bank of Credits portal, and the "UIDSE+" mode for bulk ID creation.

Students are provided with multiple registration channels to establish an ABC ID. They have the flexibility to select from the available registration avenues, input their academic information into the designated form, and subsequently generate an ABC ID accompanied by a shareable PDF document.

Benefits of ABC ID creation

Creating ABC IDs offers numerous benefits, including:

- **Unique Student ID:** The issuance of ABC IDs assigns a distinct and permanent identifier to each student, commencing from Class I. This ensures seamless academic tracking throughout their educational journey.
- **Academic Progress Monitoring:** ABC IDs facilitate continuous and comprehensive monitoring of students' academic performance from the outset.
- **Identifying Weaknesses:** Educators can discern subject-specific weaknesses in students' academic data linked to ABC IDs, enabling targeted interventions for improvement.

- **Streamlined Record Keeping:** The ABC securely stores students' academic records, significantly reducing reliance on traditional paper-based records and alleviating administrative burdens.

Students Mode

The step-by-step procedure for students to create their ABC ID is meticulously outlined below, accompanied by screenshots for enhanced clarity. Before that, the following overview demonstrates the user-friendliness and simplicity of the entire process:

Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic Institutions must mandatorily register themselves under ABC via NAD

- A confirmation message stating that “ Your request has been submitted” will be prompted next.

- Here login via UMANG’s default mode is been discussed. If you are an existing user enter your mobile number and MPIN or you can use the mobile number and OTP login

The screenshot shows the UMANG login and registration interface. At the top, there are logos for the Government of India and Digital India. The main heading is "UMANG" with the tagline "One App For Availing Many Government Services". Below this, there are two login options: "Login with MPIN" (selected) and "Login with OTP". The "Enter Mobile Number" field is highlighted with a red border and a "Forgot required" message. The "Enter MPIN" field is also highlighted with a red border. Below these fields are "LOGIN" and "Forgot MPIN?" buttons. A link "New on Umang - Register here" is present, followed by an "OR" separator. Below the separator is a button "Login/Register with MatriPehchan". At the bottom, there is a "MatriPehchan" logo and a description: "MatriPehchan - National Single Sign-On - One citizen login for accessing multiple public services from various departments". The footer includes the NeGD logo and text: "This site is designed, hosted and maintained by, Ministry of Electronics and Information Technology, Government of India".

- Step 02: If you are a new user, click “Register here”, you will be prompted to the following window.

The screenshot shows the UMANG registration interface. At the top, there are logos for the Government of India and Digital India. The main heading is "UMANG". Below this, there is a message: "Let's start by verifying your 10 digit mobile number. We will send you an OTP on this number for verification". The "Enter Mobile Number" field is filled with "9818271433". The "Enter OTP" field is empty. Below these fields is a "75 Seconds" timer. A checkbox "I agree to the terms and conditions of the End-user license agreement(ELUA)" is checked. Below the checkbox is a "Register" button. At the bottom, there is a link "Already have an account? Login here". The footer includes the NeGD logo and text: "This site is designed, hosted and maintained by, Ministry of Electronics and Information Technology, Government of India". There is also an "india.gov.in" logo and an "Ask UMANG" button with a person icon.

- Enter your mobile number and hit the “Get OTP” link, an OTP will be sent to your registered mobile number. Enter the received OTP

The image shows the UMANG registration interface. At the top left is the Government of India logo and 'Digital India' text. At the top right is the NeGD logo.
