“The picture that you took with your camera is the imagination you want to create with reality.” — Scott
Lorenzo

The club aims to create the opportunities for planning photography adventures or discussing the art form with like-minded stakeholders of this college. The main purpose / objectives of this club

- To promote the development of photographic art and technique by providing opportunities for individuals.
- To provide discussion forums to exchange the ideas and information related to photography with the help of events such as workshops, photography tours and .
- To inspire students to express their thoughts and emotions through art or photography
- To conduct internal photographic club competitions to encourage the development of production and presentation skills.
- To encourage the students and teachers to transform the technical facts into real-time applications
