

NEW ALIPORE COLLEGE

POLICIES ADOPTED BY RESEARCH CELL

- ❖ To encourage research activity in the college, regular presentations to be held for registered scholars on topics of their choice.
- ❖ Research is continuous process. The Cell recommends financial support for teachers invited to present papers within India and abroad. Our college has made provisions for these.
- ❖ College Management Sponsored Research Project Grants to be awarded to the amount of Rs 25,000/- for a period of one year (extendable for 6 more months) to be given to boost research activity among the teachers. The grants are to be awarded after only after the proposals undergo a strict scrutinising process.
- ❖ Prizes awarded to teaching faculty by the college management for regular publication activity & also for acquiring the doctoral degree.
- ❖ Research Methodology Workshops organised in various disciplines to discuss the latest research tools & techniques and disseminate information on the 'where' & 'how' of submitting research manuscripts for publication.
- ❖ Upgradation of already existing Central Research Lab to help teachers carry out active research along with regular class room teaching.
- ❖ To inform students about intercollegiate research opportunities and motivate them to publish original work in leading journals and make presentations at conferences, workshop on Research Methodology organised in the college.
- ❖ Efforts initiated to seek research assistance from the University of Calcutta for providing teachers with access to e-resources & plagiarism software.
- ❖ Steps taken to encourage inter-disciplinary programmes for the teaching faculty with other Govt / Semi Govt institutes like Maulana Abul Kalam Azad Institute of Asian Studies (MAKAIAS).
- ❖ College has initiated library collaborations and resource sharing in a broad spectrum with colleges with MoU, universities within India(in process) and abroad(in process). The cell wants to create a pool for research and innovations in the knowledge campus.
- ❖ Call for papers given by the Cell on the theme of Environment for an edited volume in English for assisting in faculty publications.
- ❖ College faculty members are encouraged to take initiative for book publication and take up journal editorships.

- ❖ Some faculty members are on the editorial board(s) of different national and international journals. The cell celebrates the tempo and sensitise others to be active in this regard.
- ❖ The cell encourages faculty members to take up collaborative research works, research/ publication ventures with Institutions within India and abroad.
- ❖ The cell ignites/ inspires teachers to act as resource persons in a larger academic fraternity.

All these policies are reviewed on a regular basis.

Any changes whatsoever are and will be communicated to the teachers through the college website as well as through formal notice(s).
